

Charnelle Charolais

Annual Invitational Charolais Female & Genetics Sale

**Toowoomba Showgrounds (undercover)
Saturday 01st March 2025, 11:00 AM Qld time
www.charnellecharolais.com.au**

The Best Value for Money Charolais Female Sale in Australia!

Welcome

We take this opportunity to welcome you to the 15th Annual Charnelle Invitation Charolais Female & Genetics sale. This year we have put together another exciting catalogue of 78 females, 2 bulls, 3 flush packages, 142 embryos, 729 straws of semen & 1 Liquid Nitrogen AI Tank.

- This year's catalogue has a female for every operation. We feel sure you will be impressed with the quality of females and genetics on offer.
- This year we are pleased to offer 34 females that have been DNA tested as homozygous polled. These are clearly marked in the catalogue.
- A number of the females are halter broken and are definite show prospects. The vendors this year will select five finalist females through a voting process before the morning of the sale. These five finalists sponsored by Black Duck and Charnelle Charolais will then be put into the ring where an Elders Champion & Reserve Champion will be selected by an over judge.
- The embryo and semen lots on offer this year would have to be some of the best ever offered at our sale. One of the special features this year is the offering of embryos by New Sire, Silverstream Saint Martin and New Homozygous Polled Full French sire Robins RS. Also of keen interest will be embryos by HRJ Holy Water, Silverstream Evolution and a number of Palgrove sires.
- As the saying goes, "The good ones are never dear".
- The sale will be live streamed with Stocklive Elite. (Please familiarize yourself with Stocklive Elite some time before the sale date)
- Short term agistment is available to coordinate with other sales.
- Transport to most places will be available.
- A canteen will be operating on sale day.
- **Insurance:** We will take care of all animals after the sale; however, it is our recommendation to insure your purchases. A representative will be available on sale day.
- **Guarantee:** If your purchase is found by a veterinarian to be infertile within 6 months of sale the vendor will replace your purchase with a similar female or refund the purchase price.
- **Youth Member rebate:** We are passionate about helping the youth membership of today so this year we are offering all Youth Members a 5% rebate on all Charnelle lots only, including embryo and semen lots. If you are not yet a member, but are interested in the Charolais breed and would like to join? Please give the fabulous team at the Society office a call on 02 6771 1666.
- **This catalogue has been compiled with all due care and attention, however we or our agents cannot be held liable for the accuracy, use or interpretation of the information in this catalogue.**
- **Inspections:** Inspections presale are welcome.
- **WA Genetics Delivery:** For interested WA buyers I have already booked flights and can personally deliver genetics to Bunbury WA on Wednesday 19.03.2025.
- On behalf of the vendors and selling agents we invite, and again welcome you, to our sale and look forward to seeing you on Saturday 1st March 2025. We wish you all the best with your purchases.

Warm Regards,

Graham Blanch.

PS. Please bring your catalogue to the sale.

HOW TO REGISTER with

STOCKLIVE ELITE

Follow these easy steps to start bidding:

Visit www.stocklive.com.au using your desktop, laptop, iPad, iPhone or Android device. NO App required.

Select the **bid** icon beside the sale you wish to bid on.

If you're new, select **register**, and complete the form with all your details, **accept sale conditions**, select **create bidder registration**.

You will receive an email from StockLive. Select "**Confirm my bidding account**" to set your password and **accept** Bidder Account Terms & Conditions and Privacy Policy followed by **create my account**.

Congratulations! Your StockLive account has been created and your bid request is pending. You will be notified via email when your request to bid has been approved.

Existing users, follow steps 1 & 2, select login, enter your details followed by the **request to bid** icon beside the sale you wish to bid on and then **accept** the terms.

On Sale Day, follow steps 1 & 2, select **enter auction** to watch, listen and purchase when the sale is flashing **LIVE**.

Invoicing and delivery will be carried out as per your registration details by the respective Selling Agents.

Comments: A fantastic Cow and Calf unit to begin our sale this year. Last year our lot 1 cow and calf sold to up-and-coming young breeder in Victoria, Summer Kelly. The calf from last year has been a real show success for Summer and congratulations to her for a swag of show ribbons including a well-earned third at the Melbourne Royal. We believe this beautiful cow Charnelle Digna 179 by Elder's Blackjack, and her stunning heifer calf, Charnelle Digna 203 born 28.09.2024 by Silverstream National are probably a notch above our last year's lot 1. There are five generations of Donor cows in her pedigree beginning with the great Palgrove Digna 3 by Tattenhall Impeccable. Check out her EBV's with 9 traits in the top 10%. Calf has been vaccinated with 3 germ blood, 7 in 1 & Pestigard. Calf is Parent verified, homozygous polled and BPA Free. **Digna 179 is only one of 14 current registered Charolais Dams in Australia with a Northern Maternal \$ index figure of \$98 or above.** Digna 179 is PTIC to Charnelle Umberto (PP) (GKA23U39E) 11 weeks by sale day. Both cow and calf have tested PI negative.

Comments: Would you like a show off for the front paddock? Well, here is your star! Emma 3 is homozygous polled with terrific length, depth, a fine smooth coat and the best nature. We purchased Emma 3 in the 2021 sale, since then she has been flushed once producing 11 (A grade embryos) resulting in 8 calves on the ground, plus producing 4 natural calves. We have retained her heifer calves including one by Pinay. Emma 3 is offered at the prime of her breeding life. **Emma 3 is a very fertile cow and has always taken the AI at the first attempt. This classy female would be an asset to any donor program.** She was AI'd to Charnelle Rodger (By MAC 2244) as we have been very pleased with his progeny, on the 31/07/2024 and PTIC. Her due date is 13/05/2025. All of Emma's calves so far have been tested BPA free. Emma 3 can be viewed on the Cheyenne Charolais Facebook page.

PALGROVE DREAM GIRL 13 (PK W374F)

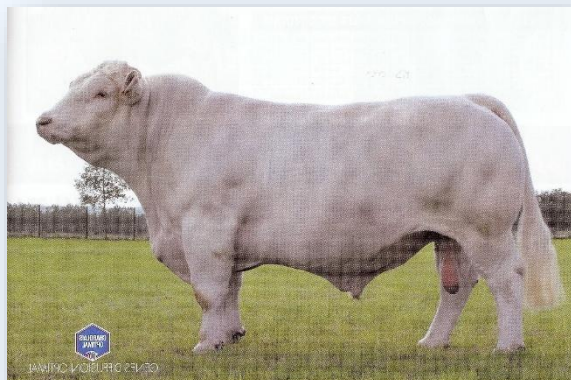

PALGROVE DREAMGIRL 7 (PK S98F)

Comments: Check out Yellow River's heifer as lot 39. Yellow River has an impressive breed plan with **her growth weights being in the top 5% for the 200- and 600-day weighing's, and in the top 10% for the 400 day, add to this, +81 for a mature cow weight.** These are outstanding growth figures. In addition to this, she has the best temperament. She would be a real herd improver and a great candidate for flushing. This full French cow has the runs on the board, she is a proven breeder, with this calf being her 7th calf in 7 years. We have not had to pull any of her calves. She has ease of birthing. The birthweights of her offspring have been 38, 35, 40, 39, 37, 38, and 40kg. Registered bull calf at foot Cheyenne Valdez CCQ-24V27E, born 21/10/2024, by Charnelle Rouseabout (Pinay), making the calf ¾ full French. AI'd to St Martin on the 21/01/2025. PTIC to be confirmed, details will be available on the day of the sale.

Comments: Another quiet, led, delightful, homozygous polled female by ANC Popcorn FF PP. Her very sweet heifer calf is also led and polled by Jay Tees Je T' Aime FF low birthweight bull. She should be a 3 in 1 package as running with AYR Hustler FF R/F and will be pretested shortly. Both cow and calf are ataxia free and are DNA recorded and PV'd.

 BRANCH VIEW UP TOWN GIRL (BVC U40E)

Comments: Branchview Uptown Girl R33E is a Red Polled daughter from one of our favourite red cows in M14E. Very strong maternal line with R33E's first daughter calving out beautifully which has made the decision to sell her just that little bit easier. Sells with a solid white polled bull calf at foot born on the 24/9/24 and sired by Noller Bonzer. Preg tested back in calf to our exciting new, red and polled herd sire in Reid's Tabasco.

IDLEWILD NEWMOON (1JJ N33E)

Comments: A real "show stopper" cow.

Every time you go into her paddock, she will make you look twice!

Appeal M7 has always been a stand out, even at an early age and was picked out as a show heifer.

Her mother, Palgrove Appeal 16, was purchased from the Palgrove Female Sale in 2004 for \$12,000 and went on to be a champion show cow around the circuit. Appeal 16 was a successful donor cow in both the Alpine and the Douglasdale Charolais herds. M7's sire, Palgrove Beckham, was purchased at the 2008 Palgrove Bull Sale for \$42,500 and he has had a huge influence on our herd. In the show ring he won many Supreme Champions, including Supreme Interbreed Champion Bull at the 2009 NSW Beef Spectacular. Beckham progeny are correct, easy fleshing and exceptionally stylish.

She is a full flush and implant sister to Appeal M5, who is in our "pick of the flush" lot. M7 is a donor worthy cow that only hasn't been flushed due to her full sister being in the donor pen. M7's progeny are always stamped with her eye appeal, length, elevation through the front, high volume udders and overall free flowing type. She sells AI'd to Palgrove Monarch, who has been a very successful pairing with M7 in the past. She was AI'd on the 30/12/2024 and has not been seen to return on heat, a follow up AI to the same joining will occur if any return seen. A pregnancy test result will be available prior to sale day.

A cow that will always slow cars down in your front paddock.

Comments: This eye-catching red factor is another powerful type heifer by 4 Ways Quinton (selling as a proven stud sire lot 81). She has all of the grunt yet is beautifully feminine from her dam's side who is an Alpine Beckham E7 daughter. She is long, square and stands on perfect feet, with a maternally strong pedigree behind her.

Bronwin 2 sells joined to proven heifer sires Alpine Napoleon N1E (by Pleasant Dawn Chisum) 14/7/24 who sustained an injury during this joining and was then followed up on 24/11/24-20/01/25 to Rising Sun Mr Massive RSCM1E (by Raile Sovereign). Pregnancy test results available prior to sale day.

Comments: This wedge-shaped feminine heifer is packed full of punch and is the first of our Supermodels showcasing 21 years of breeding. Granddaughter of Alpine Supermodel C2 & Appeal M5E ("pick of the flush" lot option), Supermodel 34 has the best of all our foundation females packed into one. She is sired by one of our most exciting sires in Alpine Rockstar R3 who weighed in at 399kg at 200 days and has gone on to breed some of our best in each drop on his first joinings. Selling AI'd to Palgrove Hallmark 19/01/25 and to be follow up AI'd to the same joining if returned. Pregnancy test results available prior to sale day.

PALGROVE PANACHE 139 (PK A396E) (P)

Comments: Panache 32 is a real stunner with terrific growth, style and femineity. She has been shown successfully and could definitely further her career in the showring.

She is due to calve on 03.03.2025 to Charnelle Thunder (P), a low birthweight bull BPA Free. She could calve before sale day.

Great genetics with Pinay & Blackjack in her pedigree. EBV highlights include all top 5% for short gestation, calving ease (daughters) northern maternal \$index & fertility, very good growth and low birthweight figures.

Tested PI Negative.

FERNVALE XRATED (FEN X40E)
FERNVALE ANGEL (FEN A30E)
FERNVALE PRIMADONNA (FEN P28E)

Comments: Angel 12 is a very special led heifer and one very hard to part with. It was only after she got a few admirers at the Youth Heifer Show that we decided to put her in our sale.

We are so very impressed with the consistency of the Silverstream National progeny and his ability to sire functional cattle with such correctness and eye appeal. You add to that Mac 2244 and the great Fernvale Primadonna and you have a female that will go places!

Great EBV figures for fertility, milk, growth, fat, short gestation & calving ease (daughters) only adds to the value of this package.

Two straws of Palgrove Tzar (PP) (R/F) (our exciting new herd sire) go with this heifer. Tested PI negative.

Homozygous Polled

Comments: Charnelle Bronwin BD 3 is a magnificent daughter by SCX Jehu, a Canadian record breaking \$245,000 bull mated with Palgrove Bronwin M770E an outstanding donor cow in the herd by the acclaimed Silverstream Holster. This heifer speaks for herself. Bronwin has been preg tested and sexed with a bull calf to Palgrove Tzar T2352E a quiet natured red factor homozygous polled Palgrove bull, the resultant calf will be homozygous polled calf due late august/ early September.

CHARNELLE LOUIS (GKA L73E) (P)
CHARNELLE ELLE (GKA E10E) (P)
DAM: SANDY RIDGE LULU (NBS P1E) (P)
CHARNELLE JUMBO (GKA J17E) (P)
CHARNELLE DUNE 3 (GKA L75E) (P)
CHARNELLE DUNE (GKA C21E)

Comments: Lozza has Elder's Blackjack for her Grand Daddy and it shows in her breed plan across the board, with well above average figures. She has his good-looking head and rear end to boot. This double polled heifer has a fine coat and skin which makes her shine. With her length and still more growing to do, she will develop into a first-class breeding cow. A low maintenance heifer that is easy to work. **She was AI'D to Rangan Pinay on the 29/07/2024 and PTIC, her due date is 11/05/2025.** Cow can be viewed on Cheyenne Charolais Facebook page.

Comments: Check out Silver Girl 5's DAM as lot 4. Silver Girl 5 is by the homozygous polled sire JWX Silver Bullet out of a full French cow going back to Suedois and Riverview Angel, which is a great genetic combination. With an impressive breed plan boasting growth figures in the **top 10% for the 200, 400, and 600 days**, this super quiet, smooth coated, good looking young heifer will fit into any breeding program. AI'd to LT Venture on the 31/12/2024. PTIC to be confirmed. Details will be available on the day of the sale.

PALGROVE FRIESIA 19 (PK Y224E) (P)

Comments: Ullani is our first female we have entered in this sale, and boy what a hard decision this was! On offer we have a beautiful red factor heifer sired by Glenlea Quarterback. Her dam, Glenlea Friesia 12th, was one of the first females we purchased from this sale in 2022 and we feel it's only fitting we sell our first heifer here. Al'd to Charnelle Station Master on 10/10/2024 and PTIC on 5/12/2024. This heifer has a great temperament, beautiful topline, and will be a great addition to your herd. Our loss is your gain! Ullani has not been DNA tested but as both parents are Homozygous Polled, she should be as well.

Comments: Yoly 2nd is a sweet homozygous polled heifer out of a moderate framed cow who has not missed a beat and calves year in and year out with no problems. She is a feminine, soft, easy going female with all the angles in the right spots with nice udder development. Yoly 2nd has been shown a few times and notably won Grand Champion junior female at Singleton Show and was also used at the Charolais Youth Camp by both Pee Wee and Senior Paraders. Al'd to Chardonnay Blackjack & running with Tallimba Utopia LLG23U13E. Preg test results provided sale day.

Comments: Here is one of our lead heifers from the 23/24 drop. Xquisite V1E is a fleshy, red and polled super star that will be hard to part with. Her dam always produces one of the best weight for age weaners every year so milk is a certainty. Xquisites loose skin in such a functional, red polled package is hard to come by and gives us great belief she will be a dam of distinction in the future. Sells unjoined

 AIRLIE REBECCA G10F (A1S G10F)

Comments: Milford Rebecca is a descendent of the Airlie Rebecca line with whom I have had great show success with her dam Milford Rebecca. She now has a bull calf at foot born on the 05.12.2024 by Milford Venture. Rebecca had no difficulty calving. She has a good udder of milk with both her and her calf doing well. The calf has received his first treatment of 7 in 1 before sale.

Many Thanks to Allflex for Sponsoring our sale again this year. It is very much Appreciated!

Allflex Livestock Intelligence

Tissue Sampling Unit (TSU)

Our Tissue Sampling Units are easy to use, yielding excellent lab results. Collect a clean, uncontaminated sample in seconds with a single squeeze motion.

When paired to a matching NLIS and management tags, we've simplified DNA sampling, creating an absolute sample to animal linkage.

For more information, visit allflex.com.au

OFFERING THE PICK OF OUR TWO BEST WHITE HEIFERS BORN IN 2023.

Both will be at the Charnelle sale to inspect. Both will be offered together in the ring, Successful bidder to select which heifer at fall of hammer. Since our first offering at this sale, we have strived to offer something special from our herd each year. These two heifers are the most outstanding heifer's we have ever presented at the Charnelle invitational sale. Performance, pedigree and phenotype they both have the characteristics in a stud female to build a herd around.

Comments: Power and class, Deep bodied, quiet temperament, loose hided and fine haired, strong polled head. EBV's Top 5% 200- and 400-day weight and carcass weight, Top 10% EMA and Beef yield. From a Nationally recognized cow family originating from Glenlea who has produced A.I. sires, stud sires, royal show champions and high selling bulls. Dam has a perfect udder and temperament with unassisted calving record, having 3 A.I. sired calves in a row. Sired by the very popular and trait leading "Padra", producing progeny with early maturing and growth, extra yield, moderate BW and strong Phenotype.

Comments: As powerful as they come. Breed leading growth, powerful carcass, slick skin, quiet temperament. EBV's Top 1% all growth traits and carcass weight, all carcass traits Positive. Another nationally recognized cow family originating from Palgrove. Dam has perfect udder, temperament, is an E.T. Donor in our herd and this heifer is our only one from her sired by SCX Jehu, the highest priced Charolais bull ever sold in Canada and progeny are setting records as well. We are so impressed with our Jehu progeny exhibiting growth, carcass, early maturity and bone all with moderate birthweight.

Comments: The first of two unjoined heifers we believe are showcasing some of the best of 21 years of breeding. An embryo daughter out of one of our "pick of the flush" lot options Alpine Supermodel 19 R11, this heifer is stamped with the eye appeal and performance that is in every depth of her pedigree. Sired by Silverstream Memphis who consistently throws our "tops of the drop" in every mating. She sells as a show prospect heifer and is broken in ready to show. She has been an absolute delight to handle, with our 3 ½ year old son also assisting in breaking. (Full embryo sister retained and earmarked for the donor pen)

Vaccinations: 3 germ blood, 7 in 1

Comments: Alpine Supermodel V9 is an embryo daughter of one of our best foundation females, Alpine Supermodel E11, and is a direct granddaughter of Alpine Supermodel C2. The Supermodel line encompasses every attribute of our breeding direction. Generationally bred to be eye-appealing, soft, feminine, extremely correct and early maturing but with plenty of grunt and bone. Her dam and granddam have both consistently produced females with perfect, high-volume udders that have been proven to generationally breed on themselves to then throw this extremely important attribute. Sired again by Silverstream Memphis who consistently throws our "tops of the drop" in every mating. (Full embryo sister retained and earmarked for the donor pen)

LT LEDGER 0332 M791626 (OAU F3168E) (P)

SIRE: PALGROVE MONARCH (PK M628E) (P)

PALGROVE DESIRE 172 (PK F724F)

HARVIE REDEMPTION 36P MC286641 (OAC Z6641E) (P)

DAM: VALLEY VIEW CHIFFON REDEMPTION (VLW M17E) (P)

FERNVALE CHIFFON (FEN C22E)

Comments: Homo Polled. Her dam is a direct daughter of Fernvale Chiffon and her sire Palgrove Monarch means great genetics are in this heifer. A long-bodied heifer, that will grow into a big strong cow. A great combination of positive fat and muscle EBVs. PTIC to Valley View Leader VLW L22E (P) (R/F). Expecting twins; both male. AI date 29/11/2024. The Challambi heifers have been acclimatising at Charnelle Charolais for 8 weeks presale.

4 WAYS HARRIETT C46E (4WC C46E)

Comments: 4 Ways Quinton Q58 is a rare blend of homozygous poll, big EMA, red factor & heifer mating suitability.

When purchased in 2021 as a 20-month-old for \$32,500 from the 4 Ways bull sale, Quinton boasted a 151cm EMA, demonstrating the power of this moderate framed stud sire in the making. A son of the then record breaking Moongool Lunar Rise, Quinton highlights the great Silverstream Evolution on both sides of his pedigree. A noteworthy feat in a red factor sire.

He has gone on to be a proven performer as an outcross sire in the Alpine herd (including successfully over heifers) and now with so many of his female progeny on the ground, it's time to give another stud the opportunity to utilise him.

Q58's progeny are stamped with his square, stout structure, perfect feet, moderate maturity pattern, bone & clean polled heads. This is seen in his daughters who feature in the sale as lots 16, 17 & 19.

Alpine have females currently joined to Quinton and this batch will be the last registered to him.

For sale as full ownership with semen share rights owned by 4 Ways Charolais for in herd use only.

A rare opportunity to acquire a powerful, proven stud sire.

Comments: Uncle Jack will impress you with his standout length, great temperament and a robust sirey head. He really has his sire Panama (photo below left) stamped on him will moderate size, with good bone, excellent feet and well laid in shoulders. His dam Panache 26 (photo below right) is a picture-perfect cow and Uncle Jack was one of bull twins she reared as her first calves. Panama semen has now been sold in seven different countries world-wide with a second shipment sent to South Africa in recent weeks. EBV highlights include top 1% for scrotal size, top 5% for Northern Maternal \$index, top 10% for 600-day growth and top 22% for 200 & 400 – day growth. He also has well above average figures for fat. We think Uncle could be stud sire material, but you be the judge.

PICK OF THE FLUSH Celebrating 21 years of the Alpine Charolais Herd

Vendor: JUSTIN & JANE SANDERSON

To celebrate 21 years since beginning Alpine Charolais stud in the rolling hills of Dungog NSW we have three descendants of our foundation females to offer for our "Pick of the flush". Genetics that are tried and tested in the hills of the Hunter Valley and proven to stand the test of the Central West and Western Plains, their progeny are always nothing but the best we have to offer year in, year out.

Purchaser has the right to choose cow A, B or C to flush to bull of their choice, including all sires used by the Alpine herd.

Flush to be programmed at G Wilkinson Breeding Services Binnaway, NSW and embryos extracted by Stuart Geard of Holbrook Artificial Breeders. Program and flush at cost to the purchaser. 1 x flush with a minimum 2 x A grade embryos. Second flush included at substituted purchaser cost if first flush unsuccessful.
(M5 & R11 held unjoined and booked in for late March 2025 flush. Q10 at later date post calving).

Alpine Appeal 1 M5E

Alpine Supermodel 19 R11E (P)

Alpine Supermodel 15 Q10E (P)

Option A

Alpine Appeal 1 M5E

A powerful, yet feminine matron who has really bred above and beyond in consistency of type.

She is smooth fronted, easy-fleshing, free-moving and as with all of our donor females her maternal attributes including a high-volume udder are at the forefront.

M5 was brought into the donor program most notably after producing her standout stud sire calf Alpine Rockstar R3. R3, sired by Silverstream Memphis was exceptional, right from a calf. Boasting early growth at 200 days of 399kg, he himself has gone on to now breed the same quality of calf consistently. We have several full embryo female siblings retained to him and they too are stamped with that same wow factor.

Alpine Appeal 1 M5 is a full flush and implant sibling to lot 15, Alpine Appeal M7.

Option B

Alpine Supermodel 19 R11E (P)

An elegant, refined daughter of one of our best producing donor females Alpine Supermodel 3 E11. She carries all of the maternal attributes of the Supermodel line whilst still passing on the power of her sire EC No Doubt to her progeny.

This is a female that catches your attention from the rest of the herd every time you lay eyes on her. She is long, with a beautifully elevated head carriage. Her progeny are stamped with her same stylish outlook and they too have really stood out in every batch of calves.

Her embryo daughter sired by Silverstream Memphis features as our show prospect heifer at lot 53.

Option C

Alpine Supermodel 15 Q10E (P)

Affectionately nicknamed "Lolly", she is as sweet as her name. Lolly is a beautifully quiet direct daughter of the original Alpine Supermodel C2E who is the heart of the Alpine Charolais herd and sired by the ever-reliable Palgrove Hallmark.

Standing on perfect feet, Lolly is another free moving, wedge shaped Supermodel who again milks the house down.

Her last natural calf sired by Alpine Rockstar R3 is one of the best heifer calves we have produced to date and is already earmarked to join the donor pen.

PALGROVE VERTICO (PK V325E)

PALGROVE FRIESIA 19 (PK Y224E) (P)

PALGROVE FRIESIA 10 (PK T113E) (P)

Comments: We have very high regard for this female and she is the type we have been aiming for over the last 33 years. We love the softness and volume that Blackjack puts into his progeny. Friesia 27 had 3 calves on the ground by the time she was 3 years and 3 months including twin bulls in January 24 (see two bulls in photos below) and then another bull calf in December 24. One of those twins has already sold to long time Buyer Reade Radel. She has 10 traits ranked in the top 10% of the breed including all growth traits, carcase traits, fertility and \$Indexes.

The vendors agree to guarantee six A grade embryos, with the purchaser to meet the costs of flushing and freezing. Friesia 27 GKA R24E is due to calve to Johnny on 12/05/2025 and will be available for flushing after mid-July. Sires that can be used free of charge to purchaser include Robins RS, Johnny, Silverstream Saint Martin, SCX Jehu & JWX Silver Bullet, or you can supply semen of your choice.

PALGROVE PANACHE 139 (PK A396E) (P)
PALGROVE PANACHE 72 R/F (PK T86E)

Comments: If you would like red, we believe Panache 31 is probably one of the best red heifers we have ever bred in 33 years of breeding. She combines the best of one of our foundation females Palgrove Panache 139 with Thin Red line, a red heifer bull we saw in Canada in 2010, and then our best French import sire Johnny. She is in much the same mould as her stable mate, softness, volume and femininity.

The vendors agree to guarantee six A grade embryos, with the purchaser to meet the costs of flushing and freezing. Panache 31 GKA22T27E is due to calve at the end of March and will be available for flushing after mid-May. Sires that can be used free of charge to purchaser include Robins RS, Silverstream Saint Martin, SCX Jehu & JWX Silver Bullet, or you can supply semen of your choice.

SILVERSTREAM LOTUS E96 (OAN E96E)
SILVERSTREAM LOTUS P93 (OAN P93E) (P)

Comments: A very special mating here! ROBINS is our new Homozygous Polled Full French sire that we believe will sire progeny with plenty of substance and style while keeping the ease of calving well in check. Nardia is a real compact female imported from New Zealand as an Embryo that just came into our Donor program this year after three exceptional calves.

Both Sire and Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months. All Charnelle embryos are stored at The Repro Group Allora, Qld.

CHARNELLE REBBY (GKA Q10E) (P/S)
VALLEY VIEW REBBY CIGAR 14TH (VLW H14E) (P)

Comments: We were so pleased to have the winning bid for the rights to Saint Martin when the Australian rights to a Silverstream walking sire came up for sale in May 2024. As Brett Fisher said of him "There are Good Sires and then there are Great Sires". We believe he has that extra power and grunt that we need in Queensland to breed bulls to be used in Bos Indicus herds. This combination out of a young Mac 2244 donor will definitely deliver the goods.

Both Sire and Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months. All Charnelle embryos are stored at The Repro Group Allora, Qld.

SILVERSTREAM LOTUS E96 (OAN E96E)
SILVERSTREAM LOTUS P93 (OAN P93E) (P)

Comments: If you missed lot 88, here is another chance to secure these new genetics that we believe will give our polled cattle more punch, yet retaining softness, and retaining a sensible frame score. Nardia, imported from New Zealand as an embryo, has had 3 outstanding calves and check out her full brother Milford Braxton (pictured below left) who sold for \$25,000.

Both Sire and Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.

All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Magnific R – Sire of Robins RS (PP)

Where do our French Genetics come from?

We first met Jean Louis Riotte on the Charolais Congress Tour of the UK in 2012. We were interested in a Polled French bull (D'Angely) he had photos of and decided to go to France in 2013 to check him out for ourselves. The photos below were taken on that visit. L to R. Jean Louis & his wife Agnes, D'Angely with 16 – 18-month-old heifers & Bashia (one of his best). His property is at a little village called Angely about 220 kilometres SW of Paris. Jean Louis had had Polled lines in his cattle for a number of years, but at that time weren't truly accepted in France as the true Charolais (things have changed now). We proceeded to bring in D'Angely & Gallway who we also saw on that visit. Since then, we have added Johnny & Nougat in 2019, and a new shipment has just arrived of more Johnny and a small amount of our new Homozygous Polled bull Robins RS. Jean Louis sells a large percentage of his bulls to clients in Spain hence the reason his cattle are not as extreme as other French cattle can be and can handle hot humid conditions.

Semen from JOHNNY & NOUGAT is now available

Lot 91

4 x A Grade Embryos CHARNELLE FRIESIA 5 (AI) (ET) (P) x PALGROVE NATURALISM (P)

PINAY 8552394134 (OAF U4134F)

DAM: CHARNELLE EMMA 4 (AI) (ET) (P) (GKA R1E)

CHARNELLE EMMA (GKA E50E) (P)

Comments: Another dam with the Pinay influence (see photo next lot) to add power and bone, yet with plenty of muscling and softness. Same deal as the last lot. Pay price per embryo for 2 embryos but you get 3. Guarantee is for at least 1 pregnancy. Hope you get 3.

Both Sire and Dam have been tested BPA Free. Price per embryo for just 2 embryos. 50% guarantee if implanted by an accredited technician within 12 months. One Bonus embryo goes with this lot

All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 109

2 x A Grade Embryos CHARNELLE EMMA 4 (AI) (ET) (P) x ELDER'S BLACKJACK 788B (P)

Vendor: G & K BLANCH

Pedigree of resultant calves:

GERRARD PASTOR 35Z (OAC H7921E) (P)

SIRE: ELDER'S BLACKJACK 788B (P) (OAC K788E)

SVY STARTSTRUCK 8X (OAC F8E) (P)

PINAY 8552394134 (OAF U4134F)

DAM: CHARNELLE EMMA 4 (AI) (ET) (P) (GKA R1E)

CHARNELLE EMMA (GKA E50E) (P)

Comments: We have two very handy heifer calves from this flush. One will most likely be in our show team. This is such a good combination with the softness growth and carcass of Blackjack complementing the frame, ease of calving, and correctness of Pinay x Emma E50E.

These would have to be some of our best embryos this year.

Both Sire and Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.

All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 110

2 x A Grade Embryos CHARNELLE EMMA 5 (AI) (P) x SILVERSTREAM NATIONAL N40 (P)

Vendor: G & K BLANCH

Pedigree of resultant calves:

SILVERSTREAM JENSEN J19 (PED K19E) (P)

SIRE: SILVERSTREAM NATIONAL N40 (P) (OAN N40E)

SILVERSTREAM OPIE G8 (PED G8E) (P)

ELDER'S BLACKJACK 788B (OAC K788E) (P)

DAM: CHARNELLE EMMA 5 (AI) (P) (GKA R10E)

CHARNELLE EMMA (GKA E50E) (P)

Comments: You can't go wrong with these embryos. Blackjack x National. Two of the best homozygous bulls we have used in recent years. Calves will be homozygous polled. For photo of Dam see lot 87.

Both Sire and Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months. All Charnele embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 111

2 x A Grade Embryos CHARNELLE ELLE 8 (AI) (P) x SILVERSTREAM NATIONAL N40 (P)

Vendor: G & K BLANCH

Pedigree of resultant calves:

SILVERSTREAM JENSEN J19 (PED K19E) (P)

SIRE: SILVERSTREAM NATIONAL N40 (P) (OAN N40E)

SILVERSTREAM OPIE G8 (PED G8E) (P)

SILVERSTREAM PADRA P7 (OAN Q7E) (P)

DAM: CHARNELLE ELLE 8 (AI) (P) (GKA 22T56E)

CHARNELLE ELLE 5 (GKA N12E) (P)

Comments: National x Padra. We really do appreciate the quality of genetics that have been coming from the Fisher family for a long period of time. You put Elle 8 (featured in the next 2 lots) into the mix and you have predictability at its best. Photo Elle 8 at 16 months.

Both Sire and Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months. All Charnele embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 112

2 x A Grade Embryos CHARNELLE ELLE 5 (AI) (ET) (P) x SILVERSTREAM LANDIS L179 (P)

Vendor: G & K BLANCH

Pedigree of resultant calves:

SILVERSTREAM FOCUS F6 (PED F6E)

SIRE: SILVERSTREAM LANDIS L179 (P) (OAN L179E)

SILVERSTREAM DASHER H104 (OAN H104E) (P)

PINAY (OAF U4134F)

DAM: CHARNELLE ELLE 5 (AI) (ET) (P) (GKA N12E)

CHARNELLE ELLE (GKA E10E) (P)

Comments: Landis has worked very well for us and I am sure he will work well for you, especially out of this Pinay daughter x Elle N12E. Elle N12E is a real herdsire producer.

Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months. All Charnele embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 113

2 x A Grade Embryos
CHARNELLE ELLE 5 (AI) (ET) (P) x SCX JEHU 233E (P)

Vendor: G & K BLANCH

Pedigree of resultant calves:

SCR TRIUMPH 2135 (OAC H5788E) (P)

SIRE: SCX JEHU 233E (P) (OAC N7683E)

SCX MISS MAGNUM 109X (PED F4331E) (P)

PINAY (OAF U4134F)

DAM: CHARNELLE ELLE 5 (AI) (ET) (P) (GKA N12E)

CHARNELLE ELLE (GKA E10E) (P)

Comments: We have a yearling bull from this flush and he is something special with a birthweight of 42 kgs. Elle 5 N12E is right up there as the top of our herd.

Both Sire and Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months. All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 114

2 x A Grade Embryos
CHARNELLE REBBY 5 (AI) (ET) (P) x SCX JEHU 233E (P)

Vendor: G & K BLANCH

Pedigree of resultant calves:

SCR TRIUMPH 2135 (OAC H5788E) (P)

SIRE: SCX JEHU 233E (P) (OAC N7683E)

SCX MISS MAGNUM 109X (PED F4331E) (P)

WCR SIR FA MAC 2244 (OAU B2244E) (P)

DAM: CHARNELLE REBBY 5 (AI) (ET) (P) (GKA 22T3E)

CHARNELLE REBBY (GKA Q10E) (P/S)

Comments: Both parents Homozygous Polled. Add Mac 2244 into your pedigree and you get performance, softness and milk.

Both Sire and Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months. All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 115

2 x A Grade Embryos
CALMVIEW DASHER R8E (AI) (ET) (P) x SCX JEHU 233E (P)

Vendor: G & K BLANCH

Pedigree of resultant calves:

SCR TRIUMPH 2135 MC355788 (OAC H5788E) (P)

SIRE DAM: SCX JEHU 233E (P) (OAC N7683E)

SCX MISS MAGNUM 109X PFC384331 (PED F4331E) (P)

SILVERSTREAM GEDDES G102 (OAN G102D) (P)

DAM: CALMVIEW DASHER R8E (AI) (ET) (P) (CVW R8E)

SILVERSTREAM DASHER H104 (OAN H104E) (P)

Comments: Dam was imported from New Zealand as an embryo and is a half-sister to Silverstream Landis. Both parents Homozygous Polled. **Both Sire and Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months. All Charnelle embryos are stored at The Repro Group Allora, Qld.**

Purchaser / \$:

Lot 116

2 x A Grade Embryos
CHARNELLE PANACHE 10 (AI) (ET) (P) (R/F) x PALGROVE QUEST Q1556E (P)

Vendor: G & K BLANCH

Pedigree of resultant calves:

PALGROVE NECESSITY (PK N780E) (P)
SIRE: PALGROVE QUEST Q1556E (P) (R/F) (PK Q1556E)
PALGROVE APPEAL L157E (PK L157E) (P)

G. BROS THIN RED LINE 527W (OAC E6475E) (P)
DAM: CHARNELLE PANACHE 10 (AI) (ET) (P) (R/F) (GKA J13E)
PALGROVE PANACHE 139 (PK A396E) (P)

Comments: If you want high class red genetics, then this is the lot for you. Panache 10 is a high milking super soft matron; very tidy structure and we believe Homozygous Red as well as Homozygous Polled. The Power of Quest will make for very marketable progeny. Quest is also Homozygous Polled.

Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.
All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 117

2 x A Grade Embryos
CHALLAMBI ESTELLA S42 (AI) (P) (R/F) x PRO-CHAR DIAMONDBACK 113H (P)

Vendor: G & K BLANCH

Pedigree of resultant calves:

PRO-CHAR RONALDO 53E (PED N5785E) (P)
SIRE: PRO-CHAR DIAMONDBACK 113H (P) (R/F) (OAC R2616E)
PRO-CHAR SALLY 8Y (PED G9270E) (P)

GERRARD PASTOR 35Z (OAC H7921E) (P)
DAM: CHALLAMBI ESTELLA S42 (AI) (P) (R/F) (CHA S42E)
CHALLAMBI ESTELLA N10 (CHA N10E) (P)

Comments: Opportunity to secure some nice low birthweight and red genetics that will be Homozygous Polled. Estella S42 was our pick purchase from the 2023 Charnelle Sale.

Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.
All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 118

2 x A Grade Embryos
CHALLAMBI ESTELLA S42 (AI) (P) (R/F) x ANC Q PAC (P) (R/F)

Vendor: G & K BLANCH

Pedigree of resultant calves:

ANC MAC (ANC M6F) (P)
SIRE: ANC Q PAC (P) (ANC Q618F)
ANC WILMURI (ANC K252F)

GERRARD PASTOR 35Z (OAC H7921E) (P)
DAM: CHALLAMBI ESTELLA S42 (AI) (P) (R/F) (CHA S42E)
CHALLAMBI ESTELLA N10 (CHA N10E) (P)

Comments: Great opportunity to secure progeny from this outstanding Polled Full French sire. We have 3 calves due in late March from this combination.

Dam have been tested BPA Free. Sire is a carrier. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months.

All Charnelle embryos are stored at The Repro Group Allora, Qld.

Purchaser / \$:

Lot 119

2 x A Grade Embryos
CHARNELLE FRIESIA 11 (AI) (ET) (P) x SILVERSTREAM MANHATTAN M171 (P)

Vendor: G & K BLANCH

Pedigree of resultant calves:

SILVERSTREAM GEDDES G102 (OAN G102D) (P)

SIRE: SILVERSTREAM MANHATTAN M171 (P) (OAN M171E)

SILVERSTREAM WENDY G98 (PED G98E) (P)

HARVIE REDEMPTION 36P (OAC Z6641E) (P)

DAM: CHARNELLE FRIESIA 11 (AI) (ET) (P) (GKA L13E)

PALGROVE FRIESIA 19 (PK Y224E) (P)

Comments: We used Manhattan to put extra power, length, and bone into his progeny. Friesia 11 has all the maternal bases covered. Friesia 11 is also the dam of our feature flush cow in lot 84.

Both Sire and Dam have been tested BPA Free. Price per embryo. 50% guarantee if implanted by an accredited technician within 12 months. All Charnelle embryos are stored at The Repro Group Allora, Qld.

Lot 125

2 x A Grade Embryos
WARILLA DIGNA STARBIRD S6 (AI) (ET) (P) x HRJ HOLY WATER 55H (P)

Vendor: J & G WEEKS

Pedigree of resultant calves:

HRJ DIRTY HARY 603D (PED M861E) (P)
SIRE: HRJ HOLY WATER 55H (P) (OAC R2027E)
JWX DANDY 70D (PED M9048E) (P)
PINAY (OAF U4134F)
DAM: WARILLA DIGNA STARBIRD S6 (AI) (ET) (P) (JGW S6E)
CHARNELLE DIGNA 91 (GKA D65E) (P)

Comments: We were fortunate to secure one of the exclusive HRJ Holy Water packages from Venturon Livestock, which have resulted in the mating with Digna Starbird S6. S6 is developing into a great young donor female for us, being out of the great old Charnelle Digna 91 who has bred so well for both Charnelle & Black Duck Charolais, producing 21 registered progeny. The mating to HRJ Holy Water offers an outcross pedigree to a strong Pinay female.

50% guarantee if implanted by an accredited technician, within 12 months of purchase. Price per embryo. Dispatched from Agri-gene.

Lot 137 BAUHINIA PARK TRIBUTE (P) (R/F) BAU22T26E

VENDOR: RYAN & RACHEL HOLZWART

SEMEN: 30 STRAWS/ PRICE PER STRAW

Comments: Bauhinia Park Tribute (P) (R/F)
BAU22T26E – BPA FREE

We are very excited to offer this first release semen package in our special retained sire Bauhinia Park Tribute for the 2025 Charnelle sale. Tribute stood out since a calf and was our pick bull of the 'T' drop. He is clean polled, red factor and has sire appeal to burn. Tribute is full of carcase merit and displays an awesome combination of natural muscle, depth, and softness. He is also very sound made and free moving, handling himself with ease in his first season out with the cows. Tribute's sire Mario has done a wonderful job for our stud with 35 sons sold at auction to date averaging \$18,657, not to mention the Mario daughters who are proving to be very fertile with great udders. Tribute's dam is an ANC Lastovski daughter out of a Dozer female. For us, this combination of pedigree is about as proven as it gets and has cemented our regard for Tribute, giving us the confidence to use him heavily in both AI and natural joining this spring. This is the first Tribute semen to be released and will be the only semen offered at auction in 2025.

Tribute's scan data at 24 months:
948kg, 11/7 fats, 154 EMA, 4.3 IMF

Lot 138 HRJ HOLY WATER 44H (P) OACR2027E

VENDOR: VENTURON LIVESTOCK

SEMEN: 100 STRAWS/ PRICE PER STRAW

Comments: Only the second opportunity for access to our new exclusive Canadian sire HRJ Holy Water. Our Holy Water calves are looking great and will lead our 2025 Sydney Royal junior female team. We have used Holy Water over cows and heifers and the calves have been born small and grow exceptionally. A really nice set of bulls will sell in our 2025 sale and highlight our spring born draft. Holy Water is an exciting outcross sire that is PA free with an exceptional foot, added carcase and super quiet calves.

Stored at Holbrook Breeders, NSW

Lot 139 HRJ FAN FAVOURITE 804F (P) OACP804E

VENDOR: VENTURON LIVESTOCK

SEMEN: 50 STRAWS/ PRICE PER STRAW

Comments: One of the best footed highest performing red factor sires we have used. Our daughters by Fan have turned into beautiful cows within our herd with nice udders and show the traits for longevity within our program. Fan's dam is still one of the greatest red factor cows we have seen and has a track record of progeny among the best.

Stored at Holbrook Breeders, NSW

Lot 140 SVY MAYFIELD 30H (P) OACR2306E

VENDOR: VENTURON LIVESTOCK

SEMEN: 10 STRAWS/ PRICE PER STRAW

Stored at Holbrook Breeders, NSW

The most talked about Charolais bull in the breed over the last couple of years. One of the best Charolais bulls we have ever seen. Harris worked for Serhienko Cattle, Canada at the 2022 Canadian Western Agribition the year Mayfield was slapped Supreme Bull of the show. He then headed south of the border and won champion Charolais bull at Denver National Western Stock show. We saw Mayfield in the pasture at Thomas Ranch this past July in America and were amazed by the overall scale and muscle as a now 5-year-old. The initial semen release of Mayfield in the US in 2023 sold at Embryos on snow in Denver, commanded \$140,000 USD for 200 doses. A half share in Mayfield's maternal sister sold at Denver in 2024 for an astonishing \$105,000 USD. Mayfield epitomizes our strong belief of maternal excellence, stemming from one of the great cow families of the breed. We cannot wait for our first Mayfield calves to hit the ground this April, and if they are anything like the ones we saw in North America, the wait will be worth it. This is the first release in Australia of a true breed changing sire with an outcross to Australia pedigree. Australian rights owned by Venturon.

QUEENSLAND LIVESTOCK AGENTS ASSN LTD

STANDARD STUD STOCK - AUCTION TERMS AND CONDITIONS OF SALE

IMPORTANT NOTICE

All bids shall be treated as offers made upon

1. The highest bidder shall, subject to Conditions 2, be the purchaser provided that the vendor reserves the right to bid either by himself or through his agent or auctioneer and should any dispute arise among the bidders for any lot, during or immediately after sale of the lot, it shall be settled at the auctioneer's absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the auctioneer and no bid shall be retracted.
2. The sale will be conducted on a "Sale" or "No Sale" basis, whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bidder such bidder will have the right of first refusal of the lot at the vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
3. The details of the purchaser, the purchase price and the lot sold as recorded by the Sale Clerk for and on behalf of the auctioneer shall be equally binding on both purchaser and vendor.
4. The auctioneer expressly reserves the right, without giving any reason therefore to:-
 - (a) Refuse to acknowledge any bid;
 - (b) Withdraw any lot or lots before or during the sale;
 - (c) Exclude any person from the auction venue should it think fit.
5. Each lot in all cases shall be at the risk and expense of the purchaser, upon acceptance of his bid by the vendor or upon acceptance of the highest bidder's offer by the vendor whichever shall be the earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these conditions as made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee, warranty or condition whatsoever was given or implied.
7. In the event of any dispute in respect to the sale of any lot:-
 - (i) The purchaser shall nevertheless be obliged to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions;
 - (ii) The vendor and the purchaser shall resolve the dispute between themselves;
 - (iii) The auctioneer shall have no liability or responsibility in regard to the dispute; and
 - (iv) No lot shall be returned to the auctioneer and the purchaser shall indemnify the auctioneer for all costs, expenses and damages which the auctioneer is put to or incurs by reason of the purchaser so doing.
8. The name of the vendor for whom the auctioneer acts is acknowledged to have been furnished to purchasers prior to sale and further particulars will in all cases be furnished to a purchaser if required. In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
9. (a) PAYMENT - Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidders' offer by the vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the purchaser until the full purchase price and cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated and until property shall pass, the purchaser shall hold such lot as Bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of the sale the auctioneer reserves the right to:
 - (i) Rescind the contract on behalf of the vendor and repossess and resell any lot;
 - (ii) Recover from the purchaser interest upon the purchase price at a rate per annum which aggregates the AMBA Bill Rate and two percentum. For the purposes of this condition, the expression "The AMBA Bill Rate" is the rate published by the Australian Merchant Banker's Association in good faith as at the date of the sale as its Bill Rate for 180 day Bills of Exchange expressed as a percentage per annum. If at any time the AMBA Bill Rate becomes unavailable for any reason, the auctioneer shall determine and advise the purchaser for the interest rate to apply for the purpose of this condition.
9. (b) The auctioneer is selling as the del credere agent of the vendor and the full purchase price of any lot sold shall be payable by the purchaser to the auctioneer and be fully recoverable by the auctioneer in its own name.
10. If the purchaser shall neglect or fail to comply with any of the within conditions any lot purchased by him may be immediately resold by Public Auction or Private Contract, with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and without notice, at the risk of the former purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.
11. Any vendor or purchaser removing the Sale Number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damages should the lot be wrongly delivered.
12. The purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions and shall jointly and severally carry out and perform sale.
13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the vendor or the auctioneer, provided however that this condition shall not in any way negate the vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
14. The auctioneer may, should it think fit, make arrangements on a purchaser's behalf, for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the auctioneer and all such service will be at the purchaser's risk and expense.
15. No lot will be delivered until the sales invoice has been checked and signed by the purchaser or his duly authorised representative.
16. (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trades Practices Act or any applicable State legislation which cannot be contractually these Terms and Conditions of Sale, any express or implied condition, statement or warranty, statutory or otherwise, is hereby executed. The auctioneer is not liable in respect of any error, misdescription or omission shall entitle the purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.
16. (b) Each lot will be sold subject to passing all veterinary tests required by the law of the State or country to which the purchaser intends to transport that particular lot such tests to be undertaken at the purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the purchaser shall be refunded and property in the lot shall revert to remain with the vendor.
17. In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the vendor and the purchaser, and the auctioneer, while he shall use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions.
- 18 (a) Each lot shall be at the risk of the vendor in respect of any damage or injury, whether by disease, accident or otherwise, for the period that the lot be in the custody of the auctioneer, PROVIDED THAT the auctioneer, its servants, agents and employees shall use all reasonable care to protect and control the lot while it is in the auctioneer's custody AND PROVIDED THAT when a lot has been sold, it shall be at the risk of the purchaser in all respects.
- 18 (b) If any vendor brings to the premises any lot which is dangerous, or infected with any disease, that vendor shall be liable for all injury, damages, costs, losses or expenses which the auctioneer may sustain, incur or be put to either directly or indirectly as a result of the vendor so doing. The auctioneer reserves the right in its absolute discretion, to exclude from the sale venue or dispose of any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.
19. DELIVERY. Except at the discretion of the auctioneer, no lot shall be delivered to the purchaser unless payment of the purchase money together with any additional charges incurred including those expenses incurred by the auctioneer, pursuant to Condition 14 hereof, is first made by the purchaser to the auctioneer. Release of lots may be withheld by the auctioneer until personal cheques are cleared.
20. In these Conditions:-
