**MOXIMAX POUR-ON 5 Litre to the Buyer of the Highest Priced Bull.  
MOXIMAX POUR-ON 5 Litre to the Highest Volume Bull Buyer.**

**13th Annual Charolais Bull Sale  
Coolabunia Sale Complex  
Thursday 14th August 2025 at 11:00 AM  
65 Charolais Bulls**

## Welcome to the 2025 Coolabunia Classic Charolais Bull Sale

The vendors would like to extend a warm welcome to all those attending this sale at the Coolabunia Saleyards. Food and refreshments will be available at the selling complex with a BBQ supplied by the Vendors.

The 2025 sale is offering 65 registered Charolais bulls including 7 dehorned, and 58 polled bulls. Eighteen of the polled sale bulls have been **DNA tested Homozygous Polled**. Fourteen of the sale bulls are Red Factor. One of the polled bulls is Full French.

Buyers can buy with confidence with all bulls:

- ✓ Semen & Morphology tested
- ✓ Vaccinated: 3-day sickness, 3 germ blood, 7 in 1, Pestigard & Vibrovax
- ✓ Scanned for EMA, Fat, IMF and weighed.
- ✓ All raw data will be available on a supplementary sheet on sale day and on vendors' Facebook pages on the day prior to the sale
- ✓ All bulls offered tick free

The sale will be conducted using a Bid Card system. Potential purchasers are asked to register on the day prior to the commencement of the sale. This will ensure accurate identification of the purchaser to the Auctioneer. PIC Numbers are required when purchasing. All buyer's instructions must be in writing and no verbal instructions will be accepted. A "Buyers Instruction Slip" must be completed when settling your purchases.

Bidding can be made online through **STOCKLIVE ELITE** – see following page for instructions.

Vendors are offering a **Freight Rebate of up to \$200 per Bull for every Sale Bull Sold**. There will be Livestock carriers in attendance on Sale Day. Please note: **Only transport arranged by the vendors / agents will be eligible for this freight rebate offer.**

**Agents Rebate:** The vendors agree to a 3% rebate to any outside agents who attend the sale with, or accompany clients prior to the sale to view bulls, or buy on behalf of their clients and settle within 7 days. 1% rebate to any outside agents introducing approved buyers to the vendors prior to the sale and settling on their behalf within 7 days of the sale.

Insurance will be available on Sale Day. We recommend that you insure your purchases as Ownership passes at the fall of the hammer. All stock are guaranteed breeders and are guaranteed by the individual vendors. Any claim against the breeding ability of an animal purchased should be made in writing and accompanied by a vet certificate within 6 months of the date of sale.

Warm Regards, Tania Haynes

# HOW TO REGISTER with

# STOCKLIVE ELITE

Follow these easy steps to start bidding:

Visit [www.stocklive.com.au](http://www.stocklive.com.au) using your desktop, laptop, iPad, iPhone or Android device. NO App required.

Select the **bid** icon beside the sale you wish to bid on.

If you're new, select **register**, and complete the form with all your details, **accept sale conditions**, select **create bidder registration**.

You will receive an email from StockLive. Select "**Confirm my bidding account**" to set your password and **accept** Bidder Account Terms & Conditions and Privacy Policy followed by **create my account**.

Congratulations! Your StockLive account has been created and your bid request is pending. You will be notified via email when your request to bid has been approved.

Existing users, follow steps 1 & 2, select login, enter your details followed by the **request to bid** icon beside the sale you wish to bid on and then **accept** the terms.

On Sale Day, follow steps 1 & 2, select **enter auction** to watch, listen and purchase when the sale is flashing **LIVE**.

Invoicing and delivery will be carried out as per your registration details by the respective Selling Agents.

# Silverwood Charolais

Silverwood Charolais are excited to welcome you to the 2025 edition of the Coolabunia Classic bull sale. This year we have 12 bulls to sell beginning at Lot 1 to 6 and then Lot 48 to 53. All the 12 bulls have been DNA tested and there are 5 Homozygous polled, and all the others are also tested Heterozygous polled. There are 4 red factor sires to choose from. 10 of the 12 bulls are our first offerings by herd sires Charnelle Rory and Black Duck Rough Justice and we are well pleased with the results, and we think you will be too! In the last 12 months we have been happy to see cattle sired by Silverwood bulls winning in carcass competitions in the Prime ring and also rewarded at weaner sales against stiff opposition. We welcome inspections prior to sale day or just general enquiring. Ring Rodney on 0408 717 974 or Lindsay on 0409 677 611

SILVERWOOD FERNANDO (5EB F96E) (P)  
DAM: SILVERWOOD JANE (5EB J98E) (P)  
SILVERWOOD CHELLE (5EB C96E) (P)

**Comments:** Welcome to the 2025 Coolabunia Classic bull sale. First up we have the first offering by Charnelle Rory and he is an eye catcher! Ultimate has terrific length and thickness, fine haired and Homozygous polled. Ultimate comes with a low birthweight and top 30% for IMF% (marbling) EBV's. You won't find a bull with a nicer nature.

Charnelle Portland (P) sire of lot 48

**Huge Congratulations** to Neil Hobart Toogoolawah, for winning the “Best Pen of Charolais Infused Steers” at the recent Toogoolawah Shepherdson and Boyd Weaner Show and Sale.

Neil’s steers went on to claim Grand Champion Pen of the show and sale and realized \$1520 per head. Neil’s daughter and son in law, Brendon & Brittney Wheildon also claimed second in the “Pen of Charolais Infused Heifers”.

This is no mean feat considering the sale attracted over 5000 head of quality cattle.

All their sale weaners were by SILVERWOOD Charolais Bulls. Well Done to all involved!

*“Whatever you are, be a good one”*

Abraham Lincoln

## Understanding SNP Poll Test Results

Neogen Australasia moved to SNP based DNA testing in September 2017. The move to SNP based testing means that we now have a far more accurate test for Poll in both taurine and indicine cattle.

Previously used Beef CRC based Poll tests would return a result and an accuracy (e.g. Homozygous Polled 98%). With SNP based Poll testing, the Poll gene can now be identified with a lot more accuracy and a description of the specific poll allele found is included as a subscript.

When reporting Poll test results from a SNP based test, the results will be reported as seen below:

Result	Interpretation	Animal's Appearance
PcPc	Homozygous Poll (PP)	Predominately Polled (occasional scurs)
PcPf		
PfPf		
HPc	Heterozygous Poll (PH)	Polled or Scurred
HPf		
HH	Horned (HH)	Horned

Mating outcomes (statistically):

*Pc and Pf are interchangeable for 'P' in the graphic below.*

	P	P	<b>PP x PP</b>  100% progeny will be PP polled		P	P	<b>PP x HH</b>  100% progeny will be PH polled
P	PP	PP		H	PH	PH	
P	PP	PP		H	PH	PH	
	P	P	<b>PP x PH</b>  50% progeny will be PP polled, 50% will be PH polled		P	H	<b>PH x PH</b>  50% progeny will be PH polled, 25% will be PP polled, 25% will be HH horned
P	PP	PP		P	PP	PH	
H	PH	PH		H	PH	HH	
	P	H	<b>PH x HH</b>  50% progeny will be PH polled, 50% will be HH horned		H	H	<b>HH x HH</b>  100% progeny will be HH horned
H	PH	HH		H	HH	HH	
H	PH	HH		H	HH	HH	

### Abbreviations

BPA - Bovine Progressive Ataxia

PV – Full Parent Verified

SV – Sire Verified

DV – Dam Verified

Helen Keller

We are pleased to present a draft of 18 quality bulls this year. In 2025 we will be at Lots 7 to 18 and Lots 54 to 59. This year we have 7 DNA Tested Homozygous polled, 7 polled or polled scurred and 4 horned bulls. The line-up of bulls this year are from our new Sire – 2022 Ekka Interbreed Champion – Cassaglen Raptor (PP) as well as our sires Ascot Rafferty (P), Palgrove Nebraska (P) and AI Sire OW Lead Time (P). Cassaglen Raptor is represented by 4 bulls in the sale. Raptor brings that growth for age, temperament and softness to his progeny. Lots 8 and 12 show that great temperament and cover.

Ascot Rafferty is represented by 8 bulls in the sale. Rafferty is our go-to heifer bull, his progeny are born small and have good growth and doing ability. Lots 7 and 11 are standout bulls from Rafferty. Palgrove Nebraska (P) has proven himself to breed those very commercially focused bulls with great structure and muscle and easy fleshing ability. He has 5 sons in the sale. Lots 16 & 17 really show that bone, softness and carcase of the Nebraska sons. This will be the last year of Nebraska bulls available. The walking sires of our sale bulls are used in our commercial herds as well as the stud so it helps us to gauge the potential of the progeny. We find that we can either sell weaners or take them through to background steers and heifers through for feeder cattle or if the season allows grass finished Jap ox cattle. We feel confident that these same genetics will perform in your herds as well. The bulls have been prepared on Oats and Riverina Maintenance pellets. Our bulls are breedplan recorded, fully vaccinated, semen & morphology tested and all bulls are Sire Verified, DNA recorded and BPA tested. We are tested as a JBAS 7 herd. Our bulls are handled with dogs, horses, utes and buggys, have been bred in a Tick area and have had exposure to lantana. Please check out our Facebook page – River Run Charolais – for videos and photos online. Should you wish to pre-inspect the bulls or require any further information on the bulls please call Tania on 0428 256 558.

DAM: RIVER RUN QUACK (PLT Q32E) (P)  
RIVER RUN JAFFA (PLT J20E) (P)

**Comments:** Urban is a Homozygous polled bull that is tremendously balanced with an extraordinary set of EBV's from low birthweight to big growth, a bull that is packed with performance. Everything you would want in a Charolais bull – low birth weight, length, clean skinned, thick up over the top, easy fleshing and a great temperament. Real stud sire potential or top end herd sire. Mark Urban towards the top of your list if you are looking to retain a beautiful line of females or add finishing ability to your program. There is a lot to recommend about this bull. Top 2% 200-day growth, Rib and Rump Fat. Top 10% 400- & 600-day weight. Top 15% Carcase weight. Top 25 % Birth weight.

RIVER RUN JOKER (PLT J7E) (P)  
DAM: RIVER RUN QUIZ (PLT Q14E) (P)  
RIVER RUN GALAXY (PLT G25E) (P)

**Comments:** Universe is our first son of 2022 Ekka Interbreed Champion – Cassaglen Raptor to sell. An impeccable temperament with great length and carcase stemming from his sire. A lot of punch in this Homozygous polled package. He has that tremendous growth for age, great coat type and true sire appeal. Plenty of performance as shown in his EBV's. He would fit right in to stud duties or a high performing herd. Top 1% 400-day growth, Carcase weight. Top 2% 600-day weight. Top 6% 200-day weight. Top 20% Milk, IMF.

**DAM: RIVER RUN NOOSA (PLT N14E) (P)**  
 PALGROVE FELICITY 87 (PK G253E)

**Comments:** Undercover Agent is another Homozygous polled Raptor son but this time he's a Red Factor. A real carcase type of bull, he'll punch out those heavy, early maturing weaners that will chase profits. Plenty of performance shown in his EBV's, he has ample bone and is thick up over the topline. He would be better over those bigger Bos Indicus type cows.

Top 5% Carcase weight. Top 10% 400-day weight. Top 20% 200- & 600-day weight. Top 25% Milk & IMF.

## RIVER RUN ULTRA (P/S)

Vendor: RIVER RUN CATTLE CO

Tattoo: PLT 23U13E

DOB: 24/07/2023

J-BAS 7  
BPA Free  
SV DNA 100K

PALGROVE LANDMARK (PK L169E) (P)  
**SIRE: CASSAGLEN RAPTOR (SKS R3E) (P)**  
 CASSAGLEN LADY KINGSWOOD (SKS L1E) (P)  
 RIVER RUN NIPPER (PLT N8E) (P)  
**DAM: RIVER RUN QUAIL (PLT Q10E) (P)**  
 RIVER RUN GOLD DUST (PLT G34E)

**Comments:** Ultra is a polled scurred bull with tremendous carcase attributes. Power and performance in this bull, great short coat, length and carcase. He will put weight in his progeny with his calves targeted to fit that heavier grid weight. Great growth for age, he would be better suited over those bigger Bos Indicus type cows.

Top 3% 400-day growth, Carcase weight, IMF. Top 4% 600-day growth. Top 5% Milk. Top 7% Scrotal. Top 25% Birthweight

**DAM: RIVER RUN MALIBU (PLT M12E) (P)**  
 RIVER RUN CALLIOPE (PLT C5E) (P)

**Comments:** Uranium is a polled bull with that ideal maturity pattern. He shows that extra volume, capacity and softness. He is the youngest bull in our draft with a great temperament and tremendous growth for age. Long and deep, he will truly add softness and plenty of eye appeal. He is another low birthweight Rafferty son that won't disappoint.

Top 1% Milk. Top 3% 200-day growth, IMF. Top 4% 600-day Growth. Top 10% 400-day growth. Top 15% Birthweight, carcase weight. Top 25% Rib & Rump Fat.

### River Run Success in Prime Cattle at Toogoolawah Show

River Run Charolais exhibited the Grand Champion Pen of Grain Fed Steers at the 2025 Toogoolawah Show. These Charolais steers were all Milk Tooth. They were fed at Pakaderinga Feedlot, Nanango and had an Average Daily Gain of 2.1kgs per day. Purchased by Kilcoy Global Foods they returned \$2,720/head.

*"Life doesn't get easier or more forgiving, we get stronger and more resilient."*

Steve Maraboli

# Diamond L Charolais and Charbrays

This is the Lee Family's 13<sup>th</sup> annual classic. The line up of bulls presented this year are all by AI sires except for lot 62 by Calmview Lucky and two Mountview bred bulls that were brought as one week old calves on their mothers and carry David Reid and Mountview genetics.

The bulls have been prepared on a combination of oats and grain. They have had a consistent build up with steady weight gains. This year a lot of our top bulls carry the Elders Blackjack genetics, they are large framed bulls with good bodies, length, and fat coverage. All the bulls in the sale are polled except for the two Pinay bulls carrying the French genetics which are scurred. All bulls have been handled with horses, dogs and bikes. They are a very quiet group of bulls. Bred in the ticks, and as the bulls that have gone before them, they are all expected to have great performance and longevity.

We look forward to seeing you on the 14<sup>th</sup> of August.

Regards

*The Lee Family*

# Charnelle Charolais

## Proven Cow Families and Top Class Sires

Charnelle Charolais

www.charnellecharolais.com.au

Charnelle Charolais is delighted to offer 16 industry focused Charolais bulls for sale this year at the "Classic". The draft includes 15 polled bulls and 1 polled/scurred bull. Five of the polled bulls are Homozygous Polled, one is Full French, six of this year's draft are red factor. All our bulls have been full Parent, Sire, or Dam verified. All our bulls have been DNA tested, 100K profiled, and BPA tested. All our bulls are Tested PI negative.

This year our Poll Full French import **Johnny** is represented by three real handy bulls including the lot 26 bull Ultra. Ultra (P) (FF) has a ton of length, very tidy structure, beautiful nature and heaps of red meat. Lot 33 Uni (PP) also by Johnny, is a bull we think highly of and have used him in our herd. Out of a Mac 2244 female he has the pedigree and so much more to rate him as a herd sire. You will notice in 13 of the pedigrees, the influence of Palgrove female cow families. These include Dreamgirl, Appeal, Digna, Friesia, Panache & Elegance. We have been blessed with access to great female lines from the best Charolais herd in Australia and believe this is the strength of our breeding program. Other bulls to highlight include lots 27 – 30.

Our bulls are prepared in large paddocks with good pasture. Silage and millet hay with a restricted access to Ridley Show & Grow pellets has been added to their diet in the preparation period. We believe we need to present our bulls in good condition, but ready to work. At Charnelle we search and strive for genetics that will be functional, and love to hear how they perform at their new homes.

We are happy to have our bulls return to us for no cost agistment until suitable transport can be arranged. We wish you well with your purchases, and welcome presale inspections and enquiries. Call **Graham** on **0427 622 410**.

D ANGELY R (OAF D8116F) (P)

DAM: **CHARNELLE DREAMGIRL 12 (GKA K27F)**

RIVERVIEW ANGEL (RIV A16F)

**Comments:** A cracking Polled Full French Bull to begin our draft this year. His Sire Johnny whose semen we imported from France has had a tremendous influence in our herd. Johnny has sired our top priced bull at this sale in three of the last four years, two of them being the top priced bull of the sale. Ultra comes highly recommended with terrific length, great bone and muscle, very tidy feet and legs, really nice temperament and lowish birthweight. His dam comes from the Palgrove Dreamgirl family and includes sires Impair and D'Angely. Ultra U8F has been used in our own herd and will be very useful for breeding anything from weaners to bullocks or even herd sires. Tested PI negative.

DAM: **CHARNELLE APPEAL 2 (GKA Q7E) (P)**

PALGROVE APPEAL 30 (PK B814E)

**Comments:** We think Uber is one of our standouts this year. From his sirey head to his terrific hindquarter and a lot of length in between we find it hard to fault this bull. He has a beautiful nature and out of a cow who is a good example of our "Charnelle Blend" of French and N American genetics. Uber's EBV highlights include Top 10% for IMF% (marbling), 200- & 600-day growth, top 15% for northern maternal \$ index and top% for 400-day growth and carcase weight. A great Homozygous Polled Red Factor package that ticks a lot of o boxes. Tested PI negative.

DAM: CHARNELLE ELLE 7 (GKA Q29E) (P)  
CHARNELLE ELLE (GKA E10E) (P)

**Comments:** We admire Uluru with his balance of meat and bone, tidy structure and a teddy bear nature. His pedigree includes the ever-reliable Quartermaster, and on the dam's side a maternal half-sister to Panama, Louis, Kooyong Power and our number one donor Elle 5 N12E. His pedigree also brings in one of the best from the 90's Fernvale Monty. He was a Tattenhall Impeccable grandson out of their foundation female Bottletree Cynthia and had a huge impact in their herd. EBV highlights include top 20% ranking for 200- & 600-day growth. Tested PI negative.

DAM: CHARNELLE DIGNA 179 (GKA R3E) (P)  
CHARNELLE DIGNA74 (GKA D5E) (P)

**Comments:** U-Turn is the standout performer in our draft, and a bull we rate very highly. Check out his beautiful skin type, carcase attributes, hindquarter and overall confirmation. Palgrove Eclipse is described as a "No Miss Sire" by Clare Charolais and was bought by them as the top priced yearling at the 2010 Palgrove sale. After seeing his progeny, Palgrove bought back semen in him and he was used heavily as an AI sire in their herd. U-Turn's dam introduces the master of growth and carcase, Elder's Blackjack. Digna 179 was a feature at our female sale in March and sold for our top price of \$12,000 to Moondoogundi Charolais. Tested PI Negative.

DAM: CHARNELLE FRIESIA 27 (GKA R24E) (P)  
CHARNELLE FRIESIA 11 (GKA L13E) (P)

**Comments:** Unity is a handy, low maintenance, homozygous polled, red factor bull, that we believe could be considered for use over stud heifers. He combines two Canadian sires that we have seen in Canada and bought semen to Australia. His dam, Friesia 27 is one of the new up and comers in our herd, and Unity was one of three calves she had in her first calendar year of calving. Upper Class U62E sells as lot 40 in this sale and United U3E sold to long time clients Reade Radel last Spring. Unity's EBV highlights include, top 1% for SS (fertility), top 10% for calving ease (daughters), top 25% for short gestation and rib fat, below average birthweight & above average growth. Tested PI Negative.

DAM: CHARNELLE PANACHE 10 (GKA J13E) (P)  
PALGROVE PANACHE 139 (PK A396E) (P)

**Comments:** Wait till you see the weaners from this fellow. You will be playing a merry tune on your Ukulele! Plenty of power and thickness in this fellow. We saw Gallway in France in 2013 and brought his semen into Australia, and he has blended well with the northern American and Australian genetics. Full brother to Manager M36E who sold to long time clients The Radel Family in 2018 as one of our top sellers. Parent Verified and tested PI negative.

DAM: CHARNELLE FRIESIA 11 (GKA L13E) (P)  
PALGROVE FRIESIA 19 (PK Y224E) (P)

**Comments:** The "Ultimate" heifer bull by Diamondback; the specialist in short gestation and calving ease. Short gestation is a very important trait for us because it allows for better than average growth without making the birthweight excessive. EBV highlights include top 3% for short gestation & scrotal size (fertility), top 7% for 400-day growth, and top 25% for 200-day growth, calving ease, EMA & rib fat. Ultimate has very tidy feet and legs, lovely nature and out of a top cow. Tested PI Negative.

DAM: CHARNELLE FRIESIA 27 (GKA R24E) (P)  
CHARNELLE FRIESIA 11 (GKA L13E) (P)

**Comments:** A really thick, low maintenance, meaty bull best describes Upper Class. I could see this fellow producing a great line of weaners with good thickness and bone and very good weight for age. The dam of Upper Class is featured on the "notes" page with Upper Class at foot at the Beef Expo in May 2024. He is ranked in the top 5% for all growth traits and carcase weight and top 15% for rib fat. Exceptionally quiet bull nearly 20 months by sale day. Tested PI negative.

lhu2325@gmail.com

0428 915 299

Thank you for the support in 2024 and it is great to be a vendor again for the 2025 sale.

We are proud to announce our new herd sire ANC T884F, an ANC Quinn son purchased privately from ANC Charolais. We are looking forward to his calves arriving in the spring, along with our AI sired offspring.

Our female herd is expanding, and we can't wait to see what they produce over the coming years!

This year we present two young sires for your consideration. Breedplan recorded and ready to perform!

# Clearview Charolais

Welcome,

We are extremely excited to be invited back to the Coolabunia Classic! Clearview Charolais is a family-run operation established in 2020 with a clear goal to produce quiet, functional, fertile calves with plenty of shape and thickness. These qualities are evident in our foundation females, primarily consisting of Trevlac and Palgrove bloodlines. We've further strengthened our genetics through our herd sire, Brendale Ridley who was Reserve Calf Champion at BEEF 2021 and our new sire Yuranga Park Real Impact.

Brendale Ridley calves have already made their mark at the Brisbane Royal and other major events. In 2024, two of our first registered females under the Clearview prefix - Clearview Raine and Clearview Actress 2 were awarded Champion Charolais Female and placed in the Top 5 Interbreed Females at both BEEF and the EKKA. This was a major milestone for our stud and a moment we'll always be proud of. We believe these results are a true reflection of the herd we're building. We're very proud of the bulls we have on offer this year and are excited to return to the sale ring once again. We look forward to catching up with you at the sale- or feel free to contact us anytime on **0456 840 267** or email **clearviewcharolais@hotmail.com**

**Lot 44**

## CLEARVIEW USHER (P)

### Comments:

'Thick as a brick'. That is the way to describe this bull. If you are looking to put power, meat and muscle back into your herd, then take a close look at this bull. A moderate framed bull ready to work.

### Comments:

U Turn is a scurred bull by the French sire Pinay. A bull with plenty of length and carries great genetics.

### Comments:

Again, carries the great Pinay genetics. The type of bull that you could have a sleep on his back. A thickset scurred bull with loads of volume and meat. A bull that could have quite easily been earlier in the sale.

# QUEENSLAND LIVESTOCK AGENTS ASSN LTD

## STANDARD STUD STOCK - AUCTION TERMS AND CONDITIONS OF SALE

### IMPORTANT NOTICE

All bids shall be treated as offers made upon

1. The highest bidder shall, subject to Conditions 2, be the purchaser provided that the vendor reserves the right to bid either by himself or through his agent or auctioneer and should any dispute arise among the bidders for any lot, during or immediately after sale of the lot, it shall be settled at the auctioneer's absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the auctioneer and no bid shall be retracted.
2. The sale will be conducted on a "Sale" or "No Sale" basis, whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bidder such bidder will have the right of first refusal of the lot at the vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
3. The details of the purchaser, the purchase price and the lot sold as recorded by the Sale Clerk for and on behalf of the auctioneer shall be equally binding on both purchaser and vendor.
4. The auctioneer expressly reserves the right, without giving any reason therefore to: -
  - (a) Refuse to acknowledge any bid.
  - (b) Withdraw any lot or lots before or during the sale.
  - (c) Exclude any person from the auction venue should it think fit.
5. Each lot in all cases shall be at the risk and expense of the purchaser, upon acceptance of his bid by the vendor or upon acceptance of the highest bidder's offer by the vendor whichever shall be the earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these conditions as made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee, warranty or condition whatsoever was given or implied.
7. In the event of any dispute in respect to the sale of any lot: -
  - (i) The purchaser shall nevertheless be obliged to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions.
  - (ii) The vendor and the purchaser shall resolve the dispute between themselves.
  - (iii) The auctioneer shall have no liability or responsibility in regard to the dispute; and
  - (iv) No lot shall be returned to the auctioneer and the purchaser shall indemnify the auctioneer for all costs, expenses and damages which the auctioneer is put to or incurs by reason of the purchaser so doing.
8. The name of the vendor for whom the auctioneer acts is acknowledged to have been furnished to purchasers prior to sale and further particulars will in all cases be furnished to a purchaser if required. In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
9. (a) PAYMENT - Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidders' offer by the vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the purchaser until the full purchase price and cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated and until property shall pass, the purchaser shall hold such lot as Bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of the sale the auctioneer reserves the right to:
  - (i) Rescind the contract on behalf of the vendor and repossess and resell any lot;
  - (ii) Recover from the purchaser interest upon the purchase price at a rate per annum which aggregates the AMBA Bill Rate and two percentum. For the purposes of this condition, the expression "The AMBA Bill Rate" is the rate published by the Australian Merchant Bankers Association in good faith as at the date of the sale as its Bill Rate for 180-day Bills of Exchange expressed as a percentage per annum. If at any time the AMBA Bill Rate becomes unavailable for any reason, the auctioneer shall determine and advise the purchaser for the interest rate to apply for the purpose of this condition.
9. (b) The auctioneer is selling as the del credere agent of the vendor and the full purchase price of any lot sold shall be payable by the purchaser to the auctioneer and be fully recoverable by the auctioneer in its own name.
10. If the purchaser shall neglect or fail to comply with any of the within conditions any lot purchased by him may be immediately resold by Public Auction or Private Contract, with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and without notice, at the risk of the former purchaser, who will be held responsible for all loss and expenses arising out of such resale and shall not participate in any profit accruing therefrom.
11. Any vendor or purchaser removing the Sale Number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damages should the lot be wrongly delivered.
12. The purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions and shall jointly and severally carry out and perform sale.
13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the vendor or the auctioneer, provided however that this condition shall not in any way negate the vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
14. The auctioneer may, should it think fit, make arrangements on a purchaser's behalf, for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the auctioneer and all such service will be at the purchaser's risk and expense.
15. No lot will be delivered until the sales invoice has been checked and signed by the purchaser or his duly authorised representative.
16. (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trades Practices Act or any applicable State legislation which cannot be contractually these Terms and Conditions of Sale, any express or implied condition, statement or warranty, statutory or otherwise, is hereby executed. The auctioneer is not liable in respect of any error, misdescription or omission shall entitle the purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.
16. (b) Each lot will be sold subject to passing all veterinary tests required by the law of the State or country to which the purchaser intends to transport that particular lot such tests to be undertaken at the purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the purchaser shall be refunded and property in the lot shall revert to remain with the vendor.
17. In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the vendor and the purchaser, and the auctioneer, while he shall use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions.
- 18 (a) Each lot shall be at the risk of the vendor in respect of any damage or injury, whether by disease, accident or otherwise, for the period that the lot be in the custody of the auctioneer, PROVIDED THAT the auctioneer, its servants, agents and employees shall use all reasonable care to protect and control the lot while it is in the auctioneer's custody AND PROVIDED THAT when a lot has been sold, it shall be at the risk of the purchaser in all respects.
- 18 (b) If any vendor brings to the premises any lot which is dangerous, or infected with any disease, that vendor shall be liable for all injury, damages, costs, losses or expenses which the auctioneer may sustain, incur or be put to either directly or indirectly as a result of the vendor so doing. The auctioneer reserves the right in its absolute discretion, to exclude from the sale venue or dispose of any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.
